

# *Business Connections*

[www.FMBusinessConnections.com](http://www.FMBusinessConnections.com)

## Membership Guidelines

1. Business Connections is a group of local business leaders that network together to help build our own and each others businesses.
2. Business Connections meetings are held at the Americinn in Moorhead every other Wednesday at 9:00 am. Please be respectful of the other members and arrive on time. If you are not able to attend a meeting please notify any other member of Business Connections. If you miss 3 consecutive meetings your membership will be reviewed.
3. Each Business Connections member will do a presentation about their business on a rotating basis. You may also choose to bring a topic for discussion instead of doing a presentation.
4. Each Business Connections member will do a 30 second commercial about your business at every meeting.
